## Recent Adventures

The month of August has been busy! Teachers were back on August 1<sup>st</sup> getting rooms ready for the first day of school and 1:1 visits with parents and students. We enjoyed our Back to School Bash on August 9<sup>th</sup> and our teacher/staff installation service on Sunday, August 13<sup>th</sup>. On Monday, August 14<sup>th</sup>, we welcomed 86 happy students into our building for the 2023-2024 school year. Students are getting acclimated to

school "being in session" as we work on expectations and procedures for this new school year.

This year we held our first annual Middle School Retreat. This retreat was a two-day team building and leadership training event. We began our day Monday at Tigertail Rec Center where MS students conquered their fears and stepped out of their comfort zone as they tackled an obstacle course 3 stories high. While team building, they had to build a boat that would float, out of two large

pieces of cardboard, two pool noodles, a trash bag and duct tape. We then traveled to Birch State Park for the remainder of our trip. We continued our effort to connect, and team build at the youth camp. On Tuesday morning middle school students spent two hours on their first service project of the year. We helped take out invasive plant species at the park.....basically we took out St. Augustine grass.

## Future Endeavors

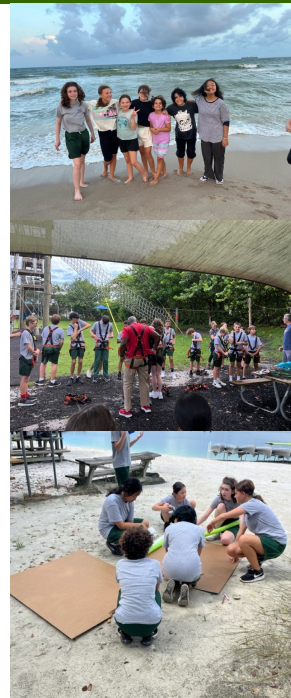

As we move into this school year, there will be many opportunities for you to volunteer. We have had a great turnout this summer with the Parent Organization meetings. You will be hearing from them soon! One of our big projects coming up is the FORE the KIDS Golf Outing, October 16, 2023.

Sports are coming! We are currently putting together a co-ed volley-

ball team. Practices will begin Sept. 5<sup>th</sup>. All students who want to play must have a sports physical completed before they begin practice. You can find the sports physical on our website under forms.

Our weekly chapel services are open to parents! Please consider joining us on Wednesday morning at 8:25. If you don't have a church home, please join us on Sunday at SOTC for our traditional or contemporary service at 9:00am and 10:30am.
