October has been a busy month for our school! Not only did we have a super successful Golf Outing, but we also celebrated Grandparents Day and held a Trunk or Treat in our parking lot. The winning numbers for our **HELICOPTER BALL DROP** were **34, 100, 89, 443, and 106**. One of those numbers did belong to a school family! Second grade won the pizza party for the most tickets sold and Indigo won the most tickets sold by a student.

We were able to raise over \$12,000 towards our Smart-board purchase. Along with the technology fee, we were able to purchase a Smart-board for every classroom, K-8.

Grandparents Day brought over 55 grandparents into our school. They enjoyed coffee and donuts, Chapel, and then time in the classroom to meet the teacher and experience the learning we offer at SOTC. It was a great day!

Our Trunk or Treat was a great success as we invited church, school, ECC and com-

munity families to join us in the fun of parking lot trick or treating. We had about 20 trunks decorated, a hot dog stand, crafts, games and a picture stop. It was a great time to CONNECT!

Our theme this year is Connected, John 15:5. As we move through this year, we will continue to find opportunities to “connect” with others to share the Gospel and love of Jesus Christ.
